Overall

- Ryan: “I recommend another pass through the thesis, with an eye toward smooth writing and style. I appreciate short, declarative sentences, but this tone is quite clipped”
- Go through pdf and search for .0, .1, .2 (i.e. missing leading zeros)
- Fill in acknowledgements
- Go through Jeff’s email (in /defense) and make sure I understand the mechanism behind the OP model (and why it’s sound)
